Be prepared. Airplanes will be shut down. Hotels will be shut down. It will be freezing so dress warmly. Looking at 30 degrees all the way down to the 10's at night.

Caravans are being made: <https://thedonald.win/p/11R4ucQt9Q/organizing-caravan-for-dc-marchi/c/>

Need patriots therein DC supplying amenities in case of emergency shutdowns. Think porta potties, hand sanitizer, meals, cheap warm clothes. They won't want you there and will do anything to keep you out so be ready for them.

Foliage will be frost burned hardwood in the parks and urban. Dress appropriately for late season weather.

Fun Fact- Washington DC was designed on a spoke and hub model radiating out avenues to traffic circles. If you hold these circles you can control traffic in and out of an area.

For warm clothes, get wool, specifically merino wool (generally non scratchy, comfortable, super warm).

Some companies with quality versions of such products: L.L. Bean, Minus33, Woolx.

Kinds of items to consider: Long underwear (base layers) top and bottom, sweaters, socks, balaclava. If you're fully decked out, you can be toasty even in some of the coldest weather.

False. In that thread, you ask the guy to get on discord and he turns you down. Noting, rightfully so, that discord is about as secure as google docs.

Discord will take your page down once it gets traction for made up lefty rules.

But the more the merrier. It's suspicious as fuck that you're claiming to be the same group after being shut down though.

When i was in Alaska they were perched on powerlines like regular birds. I has no idea how big those birds are. I talked to this wildlife person, she said she personally measured one with more than 7ft wingspan. However I noticed everything is bigger there. The crows were about the size of house cats.

EASY. I do it EVERY MONTH! FAA allows ONLY if you fly under these rules. Unload all ammo. Store ammo in its ORIGINAL box/holder (not loose!). REMOVE the empty high capacity clipazine (mag) and place it in the case. Place weapon in a LOCKED case (YOU keep the keys!). Place the locked container inside a checked suitcase/duffle on the top where it can be accessed by you easily! Say to the agent when checking in, **"I'd like to declare a handgun."** (SAY EXACTLY THAT WITH CONFIDENCE!) The agent will ask to see the locked case. 25% of the time the Agent is a cuck and will ask to SEE the unloaded firearm, so you unlock the case, open the lid, DO NOT TOUCH THE FIREARM!!! Just show it to it/them/we/their and get on with it. It/we/them will give you a little white form do sign and place that inside the luggage on top of the locked case. They will tag the bag with a bright red BSO tag. You MUST show ID to retrieve your bag at destination (Virginia, hopefully, a reciprocal state!) so be patient with the luggage guys. Do NOT carry a weapon into DC. It's ILLEGAL per DC law.
